Sizeland Evans Interior Design has an extensive record for shaping the way you live. With two residential interior designers now Associates XJU PVS öSN we're setting new standards for excellence and innovation in the industry.

Each Associate brings a wealth of knowledge and fresh thinking to every project we manage. Together with the NSN p̄ncipal and design professionals, they are an invaluable asset in planning and

developing residential spaces that achieve the perfect balance of aesthetics and utility.

We enjoy shaping the way you live by:

- bringing innovation and inspired creativity to each project
- creating high quality interiors which express our client's unique style
- providing client focused service, in a spirit of collaboration
